

Fourth Class Work 18th to 29th May 2020 - Room 10

Dear Children and Parents,

I hope you are all well. It is hard to believe that it is nine weeks since I saw you all. I really miss you and hope that you are enjoying being at home with your family. The weather has been great so at least we can be outside enjoying the sunshine. Please do your best to do a little bit of school work every day. Also find things that you enjoy like puzzles, colouring, baking, science experiments or anything else you can think of that is fun. There are some nice ideas on the RTE programme called "Home School Hub". We have tried some of the science experiments.

If you need to get in touch with me my e mail account is stjosephspsroom10@gmail.com
