

Hello boys and girls in First Class,

I hope you are all keeping well, enjoying the sunshine and also doing some schoolwork.

By now you have all your books, workbooks and a Workpack. Try and read every day from the Two Little Frogs or stories in the Workpack. It's important to get help with new words and reading. Your parents will go over the phonics and writing activities so you understand what they're about. Then when you have the writing finished read it back.

For Room 3: Keep working on the Maths activities in the Workpack especially Mental Maths and you can also carry on with Maths Challenge.

Do your best, take your time and don't worry if you can't finish everything.

Stay safe and well.

Mrs. Kilcoyne

Dear Parents/Guardians,

I hope you and your families are well. It was great to get Workbooks and Workpacks collected last week. The activities outlined are a guide only and every child needs to work at his/her own pace. Take as little or as much time on each one and don't be afraid to repeat them.

You can contact me at: stjosephslearning15@gmail.com if you have any queries I'd be happy to hear how the children are getting on.

Regards,

Denise Kilcoyne
