

Fourth Class Work 4th to 15th May 2020 - Room 10

Dear Children and Parents,

I hope you are all well and coping with our current situation. I hope you have created a good routine and that you are out walking/ cycling or running every day. I was looking at the work that I have sent out so far and I have decided to change the format slightly. I thought it might be a bit easier if I posted the work by day. In that way it wouldn't look as if there is so much to do! Do whatever you can. I know we have had some problems with some of the websites but if you can't access them try to write some stories, read books, try out new recipes for baking or make your own project. Good luck with it all! If you need to get in touch with me my e mail account is stjosephspsroom10@gmail.com

Monday 4th May

Spellbound: Unit 26 A+B

Read At Home: page 52 "Alexander Graham Bell" + Q1-5

Busy at Maths: Ch 23: Decimals -Addition- page 115 Q1, Q 2, Q3
