

Welcome back to you all girls and boys. I hope everybody had a nice Easter with your families and that you enjoyed the beautiful weather.

Here is your work for the coming two weeks. Please do not worry if you are unable to do it all. It is only a guide and won't suit everybody. Try and do a little bit each day and just do your best. As always, keep up the drawing, colouring, painting and craft work and some exercise outdoors each day is very important too. I hope everyone is tuning into "Home School Hub" on RTE 2 , RTE Player and rte.ie/learn (Irish television). It is very educational and well worth watching. There are also some nice activities in the book the postman dropped to your house, "Imagine Nation".

Take care and be good everyone,
Ms. O' Sullivan.
