

8th June 2020

Dear Parents,

I hope that this letter finds you and your families keeping well.

Thanks to so many of you who have continued to communicate with us on the work your children are doing from home and for sending us on your wonderful photos for the school website. We hope that you might consider entering our **Art Competition**, the details of which were posted on the website on 1st June. The idea is that you choose your favourite painting and re-create it by dressing up and using everyday objects from around the house or garden. You can get the whole family involved if you wish! The closing date is Wednesday, 10th June and well done to those who have already entered. There will be prizes for the top three entries.

This week you might also like to take part in a workout guided by Noreen Sheridan who is the Games Promotion Officer with Leinster GAA. The children know Noreen from coming into the school. Just follow this link:

We expect Government Guidelines to be issued in the coming week or two with regard to the re-opening of the school in September. When the guidelines are issued, we will have a Staff Meeting, Board of Management Meeting and Parents' Association Meeting to discuss the guidelines. We will communicate with all parents as soon as we have decisions around the re-opening.

In the meantime, reports, booklists and calendar for next year will be posted to all families on 17th June. Please let me know immediately if you have changed your address recently.

I hope that you and your families continue to stay safe and healthy.

Kind regards,

Ann Murphy
