Admission of Students

This school shall admit each student seeking admission except where –

- a) the school is oversubscribed (please see [section 6](#) below for further details)
- b) a parent of a student, when required by the principal in accordance with section 23(4) of the Education (Welfare) Act 2000, fails to confirm in writing that the Code of Behaviour of the school is acceptable to him or her and that he or she shall make all reasonable efforts to ensure compliance with such code by the student

4. Oversubscription

In the event that the school is oversubscribed for its admission of Junior Infants, the school will, when deciding on applications for admission, apply the following selection criteria in the order listed below to those applications that are received within the timeline for receipt of applications as set out in the school's annual admission notice:

1. Children who have siblings currently attending the school
2. Children in descending order of age

Children seeking admission to Junior Infants must reach the age of four by 31st August of the year of entry. However, we strongly recommend that children reach the age of four by 30th April of that same year.

In the event where two or more students tie for a place under any of the selection criteria categories above (the number of applicants exceeds the number of remaining places), the following arrangements will apply:

If there are more applications made by children who have siblings currently attending than there are places available, then applicants will be prioritised in descending order of age beginning with the eldest until all remaining places have been allocated. If there is a tie for the last remaining place on the basis of date of birth, the time of birth as it appears on the applicant's birth certificate will

be the determining factor (the remaining place being allocated to the applicant with the earlier time of birth). In the event that the last remaining place is allocated to a twin, leaving the other twin without a place, an exception will be made in creating an extra place for the purpose only of accommodating the second twin.

In the event that the school is oversubscribed for any class other than Junior Infants, the school will, when deciding on applications for admission, apply the following selection criteria in the order listed below to those applications that are received within the timeline for receipt of applications as set out in the school's annual admission notice:

St. Joseph's Mercy Primary School is a two-stream school. Admission to any class other than Junior Infants is subject to there being a place available in that class. A class will be considered full when the number of pupils in a class reaches the number stated by the DES as being the pupil-teacher ratio at that given time.

5. What will not be considered or taken into account

- (b) the payment of fees or contributions (howsoever described) to the school;
- (c) a student's academic ability, skills or aptitude;
